I Made a Slave Harem Using a Charm Cheat in a Different World

(異世界で魅了チートを使って奴隷ハーレムをつくってみた)

Chapter 03

Empress Elena Ria

Oishi Negai
(大石ねがい)

Story Description:

An ordinary working adult, Miura Ryouta, was summoned to a different world, and was given a charm cheat which he can use to make every woman fall for him. He used it to travel the world and gather a variety of women to his harem.

It's a story of desire, cheat, and parallel world. The protagonist is basically strong, and is peerless when it comes to sex. (Peerless, when it comes to cumming on women).

The protagonist uses his charm on strong willed women to make them deredere, please enjoy this ero ero.

Original Story can be found here: Link

Episode 1: Empress Elena Ria's Sexual Hobby

Empress Elena Ria Lyla Forza Command She's the Queen of Humans, and she rules over the biggest country in the world.

With her cool behavior, overwhelming sword skills, and political ability allows her to gather support from her people.

She who rules over Foza Command have nothing to fear for.

She's absolutely confident on it.

「The night wind feels good」

In the countries central capital.

On the terrace of a huge towering castle, Elena Ria looked over the city at night.

「The world is peaceful thanks to Elena Ria-sama's efforts」

Neatly dressed appearance, the woman with a dignified voice is the aide of Elena Ria, it is the female butler Seria Before it was maids that serve the Queen of Forza Command, but it became butlers.

Nobody thinks that dressing as a man is strange because it is traditional.

「There are a lot of things unnecessary in this world」

「It's men」

「Men are always the source of dispute. If there's no men, the world would function peacefully」

Elena Ria was taught of feminism in her early age so it rooted deeply on her.

She decided to put a time where men are forbidden to go out in the capital, and made a license system in sex too. (TN: Hori shit, Burn tumblr down!) With this policy, she improved the social status of women .

All of the servants in the castle are women as well as soldiers who guard it.

It was certain that women are superior in terms of magic, but you can still find one or two preceding man here and there For that reason, Elena Ria is a big man-hater.

It's to the extent that she doesn't want to see them anymore.

「Elena Ria-sama, the night is about to end soon. Please rest your body in the room before it gets cold」

「That's a good idea」

In response to Seria's words, Elena Ria returned to her room.

「Have some hot tea」

「Thank you」

Elena Ria sits on the bed while sipping the tea.

「You're indeed excellent, Seria. You calculated the timing of me coming back to the room and served me tea」

「Because my mission is to assist Elena Ria-sama after all」

「Indeed」

That time

There was a sound of knocking on Elena Ria's room Seria opened the door and responded.

「Elena Ria-sama will go to bed soon. Do not make any noise」

「Seria-sama, this is urgent and I'd like you to hear it…」

「What…?」

Seria listened to the story

Then, she said「Understood」then closed the door She took a deep breath, then adjusted her breathing pattern, then walked towards Elena Ria.

「What happened?」

「Yes. Something strange happened in the town nearest in the Demon Race country」

「Yarina should be ruling there」

Although Yarina is no noble, she was entrusted with once city.

That's because her tenacity in economic power and trade is recognized」

To add up, since hates men, she does perform slave trading of human male which is originally restricted.

Gaining Elena Ria's trust, she was permitted to rule.

「Seria, tell me the details」

「I do not understand the situation either, but it seems that women had began to act strangely…」

「Act strangely…?」

「They have an mesmerized expression while muttering a name of a man」

「What does that mean?」

Women living in Forza Command certainly won't speak a name of a man in the downtown.

She agreed that this is indeed a strange situation.

「Furthermore, the state of women had turned strange suddenly」

「Suddenly…」

It's getting more incomprehensive

「And, the man's name is—Ryuu. Or that's how they call him」

「Kuh…!」

Elena Ria's face distorted after hearing a name of a man 「I don't want to hear a man's name!」

「I'm extremely sorry, Elena Ria-Sama」

She loathes even the name.

That's the extent of Elena Ria's hate for men「No, Don't mind it. Seria is only reporting. But, it's making me curious...」

「About that man?」

「Did someone see his appearance?」

「It's possible to look up for that person, but we'd better not approach him」

「I see...」

The clues are thin.

(I don't know what kind of man he is, but he seems to be walking freely in my country...!) Such things would not be permitted.

When she's feeling unpleasant— Seria is there to cheer her up.

Elena Ria looked at the female butler.

「Seria, I feel bad. Can you do the usual?」

「Yes of course」

Elena Ria lifted her legs to the bed and opened it wide.

Seria buried her face on her crotch.

「Excuse me...」

Her genitals became visible when she removed her shorts.

「It's beautiful as usual...」

「Stop the flattery. Hurry up and lick it」

「Yes...」

Seria's tongue crawled on Elena Ria's vagina.

「n...Women are best after all...」

「*Lick**Lick**Lick**Lick*... Elena Ria-sama, how is it?

「Call me Elena, Seria. You should call me intimately when doing it this way」

「Is that so? I'm very sorry, Elena-sama」

Seria began to lick again

Since Elena Ria's body is sensitive, unless she licks gently, her clitoris would feel pain.

Seria, who knows it licks it caresses it with her tongue gently.

「Nu, fua...It's good Seria」

「The clitoris of Elena-sama turned hard」

「Seria is really skillful. It got erect immediately」

If it's erect, then it's time to peel it.

Using her tongue and finger, she moved the exposed clitoris in a circular manner.

「Elena-sama's face...I saw it」

「Kiss...Kiss it...nfua...!」

「Okay. ...*kiss*」

Seria brought her mouth close and kissed it, Elena Ria's body jerked.

「Haahaa...It feels good! More...More...!」

Because she told her to rush, Seria not just used the tip of her tongue, she used her entire tongue to lick around.

The clitoris is inside her mouth and she rinsed it out.

「Ku,haaa...! Ahn aaaa!」

「Elena-sama, can you feel it?」

「Good! It's good!...Seria. More, stronger...Stronger...!」

As requested, Seria raised her mouth.

Then sucked it vigorously.

「*Chuuuuuuuuuuu*!」

Elena Ria, having her clitoris peeled, began to tremble「A,a,aa...! It feels gooo...ood!」

「*Suck*, Lick Lick Sluuuuurp!」

She sucked it and licked it repeatedly.

Elena Ria's faced upwards and widened her legs.

「S-seria...I'm about to, cum...!」

「Certainly」

「Haan, Haahaa... C-coming...Coming...!」

「Please do. Please let it out」

Elena Ria extends her hand, and put it upon the palm of Seria.

She's about to cum, it was understood from the force of her fingertips.

「I-I'll let it out...Seria」

「Yes...」

「Haan, uu, uuuu...uuuuu!!」

Gush Guuuuuuuuuuush!

A huge amount of tide came splashed Seria.

「Ahn, kuha...aa-aaa...!」

「You came a lot, Elena-sama」

It gushed out like a fountain a lot of times, and the bed surroundings got wet quickly.

「Did you feel refreshed?」

「Haahaa...It was good. It was really pleasant」

But, Elena Ria's sexual desire can't be satisfied with this.

「Seria, can you lick me more?」

Elena Ria expanded the hole in her ass.

Episode 2: Empress Elena Ria Is A Hentai

The Empress displays her anus, then Seria showed a small smile.

「If it's Elena-sama I would lick any part of your body」

Elena Ria got on all fours and expanded her own ass.

Her ass is beautifully plump and the circumference of her anus doesn't have a single speck of hair.

Seria brought her face close to her anus in order to lick it.

「Seria, sniff the smell of my ass first」

The Empress Elena Ria whose not afraid of anyone.

That's because her appearance has an aura of a strong sword skill.

She receives support from a lot of people because of her strength and gallantness.

But, she's— a pervert

The part where she hates men is warped in came to love women instead, furthermore, she feels good when her anus is being teased.

Of course, no one in this world but Seria knows Elena Ria's disposition That's because she gained absolute trust, she requests this to Seria.

If this was found out by the county, it would be an outrageous situation.

「Elena-sama, I'm going then」

She put her nose near the anus, and Seria sniffed with all her might.

「Suuuuuuuu...」

「How is it?」

Hearing Elena Ria, Seria laughed and answered.

「It's a very nice smell」

Although the anus felt like it's dirty, Elena Ria's asshole has a smell of perspiration.

Even the smell of sweat is refreshing if it's the sweat of a woman who's lovely and beautiful.

「More...More...Sniff mooe...」

「Suuuuuu...Suuuuuuuu...Suuuuu...」

She breathed repeatedly as ordered by Elena Ria.

The empress feels it just from breathing and her anus twitched.

「I'm sensitive on the part where you breath...I can feel it」

「Elena-sama's ass hole...it's beautiful」

Seria is also entranced.

That's right, she's also a pervert

「I can't believe dirty things come out from here」

「I am also a human. I also excrete」(Kim Jo** Un: Bullshit)「There fore this gets excited. Your ass hole...」

Seria expanded her ass and sunk her face deep.

「Nuu...! Seria, I didn't give you permission yet. 」

「Elena-sama, please give me permission to lick your anus clean」

「You seem to so be unable to bear it anymore. ...I don't mind. Do as you like」

「Yes」

When Elena Ria got Elena Ria's permission, she licked the the circumference of her anus.

That place is beautifully colored pink, it's unthinkable that it releases stool.

As to lick between the wrinkles she used the tip of her tongue.

「Haaan~! It's good...It's good. Seria」

「I know Elena-sama's place feels well. ...*lick*lick*lick*lick*」

「N, kuh...! It's good, It's good...!」

She changed the movement of the tip of her tongue, Elena's body trembled even more.

Seria put her tongue inside the anus.

「Seria!? Naaa!」

「I will also firmly lick inside the hole」

The hole felt like it was resisting, but it disappeared immediately when she put her tongue.

Elena Ria seemed to have received it.

「It's moving...Inside my ass hole...Seria's tongue...!」

「*Lick**Lick**Lick* How is it? Elena-sama」

「G-Good! My anus is being torn open this way...!」

While fiddling it with her tongue Seria also sucks the hole. (TN: KAZ!)
「Chuuuuuuu!」

「Kuha! Y-you're sucking it...!?」

「Can you feel this too?」

「S-stop, Seria! Don't suck so hard or something dirty will come out...!」

「There's nothing dirty on Elena-sama. I will even eat it deliciously」(TN: Now that's sick) That's how she thought of proof of loyalty.

Seria isn't just some pervert, She's a proud pervert.

「My hole...is being gouged out...!」

「I'll firmly make it wet so it won't hurt」

「It's getting slimy with saliva...It feels good...!」

「Elena-sama's love nectar overflowed」

Since she's on all fours, her love nectar is making a thread as it drips.

Seria stretched out her hand to the clitoris, and played it with her fingers.

「fuaaa! Seria, at the same time...stop...!」

「I want Elena-sama to feel good」

「That's no good...! I'm going crazy...!」

「Going crazy is also pleasure...」

「Ahn, nnu! M-my head...it's about to explode...!」

Her legs was trembling, Elena Ria grasped the sheets tightly.

「Kuh...! I-I'm about to cum again...」

「Please cum. Don't endure it...」

「C-coming...! The tide again...!」

When she put herself away from the anus, a huge amount of liquid was released.

「Kuhaaa! I-it's coming out...It's coming out...!」

「Elena-sama blows a tide...! Come, don't endure it!」

「U,uuuu...!」

SquirtSquirt*Squiiiiiirt*

She blew great tides over and over again.

Elena Ria went limp and collapsed as is.

「Haa...Haa...that was amazing, Seria」

「I'm glad that you're pleased」

「...Let's give you a reward」

She beat the leg that has no power, then Elena Ria stood up.

Seria who saw it goes under her.

「Is it fine? Elena-sama?」

「Yeah, Drink lots...」

She normally doesn't do it, but since today she felt good, she'll do that.

Seria opened her mouth under her legs and waited.

「N,u...」

Elena Ria, closed her eyes, and concentrated her consciousness.

Then,

「A,aaah...!」

「It came out, Elena-sama's...holy water...!」

Elena Ria— Urinated.

A large amount of transparent liquid were shot in Seria's mouth「This is...This is what I've been waiting for...!」

「Seria, did you get excited by that much...? To show such an appearance, Even I...!」

「My mouth is filled...happiness...*gulp*」

The female butler drank the urine of Elena Ria and called it Holy water.

「*Gulp**Gulp**Gulp*!」

「A-aah...It's still coming out...」

「Delicious...Elena-sama's pee...」

When she released all of it, Elena Ria's body shook.

「Really, you're really a pervert」

「You too Elena-sama」

「I would never want to drink urine」

「I'm able to drink it because it's Elena-sama's」

It's a secret they can never show to anyone.

For that reason, the bond of this two is hard.

They both laughed at each other.

—Without knowing that this scene was seen by somebody.

Episode 3: Miko Aisha And Bath

「These guys are perverts...」

I entered the bath while watching the scene of the Empress Elena Ria and her female butler in the Crystal.

At first I was interested on what kind of woman Elena Ria is so I checked her out, but I felt that I've something I shouldn't Well, it's good to know that the Empress knows how to make love with women.

「Fufu, who would've thought that Elena has this fetish?」

「...Why are you here?」

Aisha was next to me.

Since we're in the bath, she's of course nude.

And, she clings to me

Her plump breast touching me feels pleasant, but I want to enter and take it slow by myself today.

「Don't mind small details. Do you hate taking a bath with me?」

「It's okay if we just take bath together, but...」

Just being together with Aisha, she won't allow it.

Her hand reached to my dick and she gently stroke it.

「It has grown a little bit」

「Really...I won't move my waist」

「Then, I'll be the one doing it」

Aisha stood up and instructed me to get out of bath.

I followed her and she point towards the floor.

「Please lie down here」

「Got it」

I lay down on the floor.

Since there was a cushion prepared using magic, it was neither cold nor painful.

「I got this thing from Meila」

Aisha was holding a container in her hand.

She opened the lid and slightly tilted it.

Then, a sticky liquid came out.

「Succubus are amazing, they can make this things after all」

「...Is it lotion?」

「It's called lotion」

「Why did you bring that...?」

「Because I want it to be fun」

Aisha applied the lotion to her body.

Then, she applied it on my body too.

「Nn...!」

The sensation of Aisha's slimy body feels good.

The soft parts of her body, including her chest is glued to my body.

「Just like this...I'll...move!」

Aisha piled it up and moved back and forth Her soft breasts is squashed and the lotion is making a lewd slimy sound「Ahn...It's just being rubbed...!」

「Can you feel it? Your nipples are getting hard」

Aisha's skin is soft but her nipples are hard erect.

The firm portion hits my belly and chest, it's making a zowazowa feel「Aisha, what do you think of Elena Ria?」

「How...Let's see, should I say that it's expected to be a man-hater?」

「How long would it be until we're exposed?」

I said it while grinning.

「Dunno? But, it doesn't matter to you right?」

「Yeah」

「Have you thought of a strategy already?」

Since Aisha asked, I decided to give her an answer.

「It's simple. We'll use the demon race as a decoy to attack Elena Ria」

「But we've seen it in the crystal, the castle is heavily guarded」

「I talked to Leona about that. It seems that there's a secret underground passage there」

「It's possible to sneak in. That's why it's necessary to avert their attention」

「Yeah, we have the demon race for that reason」

Using the demon race as a feint, we will lower their defense The success rate will rise with this strategy But, I want to be extremely cautious 「Your face shows that you're thinking of doing something bad again」

「Fuu, so you get it?」

Aisha further spread the lotion on my body 「That's the face you're showing when you're thinking of raping a woman... Since your penis got harder, I was able to know」

「...When talk about hard」

I pinched the but in her breast hard.

「Ahn!!」

「It's hard」

「It's standing...my nipples are」

「Lewd」

「Fun, I'm really one. Then, I'll do this」

Aisha stacked her erect nipple to my nipple Then she grind her chest like that.

「Ahn, kuu...! Amazing...Nipples, become hard...!」

「It's good Aisha. Do it more」

「Really, you're not even bothered at all」

Aisha sandwiched my dick in her knee and moved it up and down.

Since her legs are wet with lotion, even her knees feel good.

「Ryuu's penis...It's gotten hard」

「You made it. Hurry up and put it in」

「Fufu, you're quite impatient」

Though Aisha chuckle slipped out, I can understand that she doesn't have the composure since her cheeks are bright red.

Her love nectar from her vagina mixed with the lotion, it's understood that Aisha can't take it anymore.

「Haahaa...I'll put in...here it goes」

Aisha lifted her waist and swallowed the penis.

「A, aah, aah! A hard thing...is entering uu...!」

「It's still as tight as before」

I've done a lot of women already, but as expected of Aisha's vagina.

Her vagina is so narrow, it coils around my penis.

「You've embraced a lot of women...! In this short time...! It's strong...!」

「You love it right?」

「Y-yes...your...huge penis...I really love it」

Aisha looked at me with glazed eyes The began to move her waist just like that.

「As I thought, It's better if I'm on top...!」

「Why?」

「I taste you at my own pace」

As I entrust my body, Aisha's whole body can be felt I grabbed her ass

「Yan~! M-my ass suddenly...!?」

「I'll help you」

「N-no need...!」

Aisha's ass is so plump and soft that when I press my finger it would sink.

I slightly move her waist while rubbing her buttocks.

「Nu...! r-ron't...! mo-ve...!」

「I haven't moved much yet, You really don't want it?」

「Since your cock is too big, it's already reaching my womb...!」

I see.

So that's why you're tightening strongly.

But, that's half-assed for me.

「Sorry, but I'll also move」

I firmly held her waist and moved it.

I kept pounding her inside with the power penetrating her stomach 「Ha, Hii! W-wait...! Suddenly...!」

「As expected, if I don't do this intensely It doesn't fee right at all」

「Ahn! Nfuaaaaa! D-deep...! It's too deep...aaaaaaa!」

「Aisha's voice is nice after all」

I can hear her coquettish voice vibrating in my ear 「Ahahah...aaah! It feels good...My deepest place...my uterus feels good...!」

「Any woman attacked in here becomes my woman in no time」

「True...like this...the owner of this body...!」

「Aisha called me for this reason after all right?」

「Kuh, fuu...! T-that's right but...I already became your slave...That's true...!」

「That's good Aisha. We're accomplice because of that」

「T-that's right...」

I found out that Aisha's insides convulsed a little.

「Are you about to cum?」

「Y-yes... I want to endure a bit more...but it seems impossible」

I further accelerated the movement of my waist.

「Ahn~ a-a-aaaaaaa! Ryuu, together...」

「Got it」

If she tightened here I won't be able to endure.

「Ryuu's penis...It's thick...!」

「Aisha's insides are narrow」

「Haahaa...I-I can't anymore...I'm about to cum...!」

「Yeah」

I matched Aisha's timing

「Aisha, I'm letting it out」

「Come! Come lots...! Release a lot semen in my vaginaaaaaaaa!」

「Coming...!」

「Me too...Cum, cum, cum...Cumming Cumming Cumming Cumiing... Cumiiiiiiiiiiiiiiiiiing!」

Spuuuurt Spluuuuuuuuuuuuuuurt!!

A large amount of semen was poured in Aisha.

「Haahaa...It's coming in...!」

「That felt good」

I moved Aisha whose exhausted, then stood up「Haa...Haa...Are you going out already?」

「The road to kingdom is busy after all」(TN: Well, it's close so I took the

opportunity to make a reference)「Fufu, Strategy meeting?」

「Yeah. I've got a lot of companions as resources after all. There's no way I wouldn't use them」

I went out of the bathroom

Then, went to the room where Melia and Eunice stays.

Episode 4: Witch Eunice And Lewd Dream Melia Coupled Doggy Style

Wen I opened Eunice's room

「Aaaahn! Eunice-sama, please stop!」

「don't worry it's fine~ don't worry it's fine~!」

Eunice grew a penis and inserted it in Meila from back.

Eunice shakes her waist at high speed, it's making a bangbang dry clap sound「...What are you doing?」

「Ah, Onii-chan!」(TN: Calm the fuck down dick!)「Ryuu-sama...Please stop Eunice-sama...Haan!!」

As expected, even a succubus can't win against Eunice's waist.

Her cheeks are bright red, and her body bent backwards.

「As expected, Melia's insides really feels good~! It~is~really~tight!」

Eunice faced me.

「Onii-chan was able to endure this right? You're too amazing!」

「It's not a great thing」

「Ahn, I'm...about to...!」

「Eunice-sama!?」

It's seen that the WItch's body is trembling.

Eunice faced the ceiling as her whole body was filled with pleasure.

「Haan...Melia, I'll let it out once okay...!」

「Wait a minute...! Ahhn! AhnAhn! Aaaa!」

「C-cumming...!」

With a voice that sounds like throat being squeezed, Eunice stroke at the deepest place.

「Eunice-sama, Eunice-sama...! Aaaaaaaahn~!」

DokunDokun Eunice ejaculated while shivering greatly several times.

A liquid spill out of Melia's vagina can be seen even from a distance away.

「Haah...Haah...! Eunice-sama released...! Kuh...Fuhiii...」

「Aah~ It felt so good!」

Really...why are these girls so lewd...

I approached Eunice while shrugging my shoulders.

「Eunice, I want to talk」

「What~?」

「How many soldiers are there in demon race?」

「Uhn~ I won't tell!」

Eunice said with a smile

「If you want me to tell you, put Onii-chan here...!」

Eunice expanded her ass with both of her hands and exposed her vagina.

By the way, her penis is still inside Melia.

In short, it would be a 3P

「You're a helpless girl...」

Well, since I was originally going to have sex with Eunice, there's no problem since I want to talk a lot of things with them I did it with Aisha earlier, but my dick is still erect 「Onii-chan, It's really bold...」

「I'll put it in」

I sank my penis in Eunice's vagina.

In correspondence to her young figure, her vagina is also narrow.

As expected of the lewd witch, she's clamping my dick tightly.

「Ahn, it's...entering...!」

「Eunice-sama, what on world is happening?」

Melia who's remaining in all fours can't see thus she doesn't understand.

But, I can feel her body shakes little by little only by having insert it 「Eunice-sama's...Penis is growing...」 ahn~...It just got bigger now...!」

「Ehehe, Onii-chan put it in so I got excited!」

「Wow!! Surely you can still do it!?」

「Isn't that obvious!?」

When Eunice said that, Melia flapped both her hands to escape 「I don't want it! I don't want Eunice-sama, not even Ryuu-sama...! This is... absolutely impossible!! I'm going to die!」

「You're a succubus aren't you? Meila. Bear with it」

「I...Iiiiiiiii...! am a reasonable succubuuuuuus! If I compare myself to both of you」

When she came to visit me, she's quite in high spirit, but when I put it in just once, this happened.

It's interesting to see a succubus refusing sex.

Let's make her experience too much and cancel her trauma for sex.

「Why do you hate it?」

「Because, I'm going crazy! My body...and my heaaad...!」

「Now then, should I move my waist?」

I grabbed Eunice's ass, then started moving my waist.

The small elastic meat ass of Eunice is sucking up my palm and not letting it go away.

I continued to move my waist in ecstasy

「Ahn~ Onii-chan...! Getting violent suddenly!」

「Eunice, tell me the magic power and military power」

「Nuaaan! U-uhhm…there isn't much people that can fight. Ahnu!」

「How much?」

「It can probably match the human capital…Aaaaa!」

They're almost the same as capital…

No, the war potential of the demon race isn't weak, it's just that the human force is simply strong Even if you say strong, the demon race is stronger as an individual, anyway, they're 70% of this world's population after all.

When you think about that, the war potential and magic power…no, It's sufficient.

I thought that I shouldn't expect more than the minimum force.

「O-Onii-chan's penis…It's~really~ferocious!」

「Do you want to cum 500 times again?」

「U-uhhm…I have to decline to that」

She seemed to have learned her lesson

Well, it can't be helped

「Eunice, don't just feel me, move your waist too」

「Okay! Got it!」

Since I'm the only one attacking, it became mechanical, so Eunice began to move her waist again「Ahnuaaaauuu! Eunice-sama! It's deeeep! It's too deeeeeep!」

「Naaaaa, it's because Onii-chan is pushing my ass! It's getting deeper!」

「If this continued my pussy…my pussy wil breaaaak!」

「Ayaya. For a succubus…nuaaah, that's bad news isn't it…!!」

I, Eunice, and Melia, the three of as are connected as one.

When I push my waist, Eunice moves her waist equally and strongly stabs the vagina of Melia.

As expected it's painful, Melia let out her tongue, salivating, and breaths hard.

「A,fuu...ofuuu...! T-thish ish too amashzing」

While Eunice's hole is loosening, her insides are tightening It seems that the pleasant sensation in her vagina is being linked between the huge dick, I continued to the easy to understand succubus.

「Eunice-sama, more than this...your penis...your penis...!」

「It got bigger~! My penis might just explode...!」

I feel Eunice's vagina closing tight.

「Eunice, you're about to cum?」

「Y-yeah~ As expected of Onii-chan, you found it out」

「I'm about to cum too. You should cum too」

「Yeah!」

Did you endure for so long? Saying that, Eunice further accelerated her waist.

I repeatedly pumped to not lose to her speed panpan two sounds banging resounded「Aahn~! Ryuu-sama, Eunice-sama...Please stooop iiiiiiiit!」

「Egu...gumming...! I-I'm...my pussy and my penis, they're cumming together~!」

「Both of you seems to be lively」

Now then, should I finish this too.

「Cumiiiiin! I'm Cummmmiiiin! Eunice-sama, Ryuu-sama...I'm about... to...!」

「Auuuu! I'm about to cum too~ I'm cummiiiiiiing!」

「Then cum both you you! Let me see your lewd cumming faces」

「「Cummiiiiiiiiiiiiiiiiiing!!」」

splurtsplurt I ejaculated

Eunice also reached climax, Melia felt it.

「Ah, Hii...! A-amazhing...amazhing, having sex...」

「Haahaa...Onii-chan's penis...anu...It's seriously dangerous...」

「Really, you too...」

When I pulled out my dick, the two collapsed in place.

「Ahn~...My dick doesn't stand anymore」

「W-with this...I can rest...」

The two are twitching.

「Since I let you feel this, I expect war potential from you」

Now then, should I go now?

I headed for the next place.

Episode 5: Female Knight Leona And Female Merchant Yarina's Double Paizuri

Now then, since I borrowed the power from Eunice, the knights will somehow work out After that, I have to do something about the castle of Elena Ria.

There's someone well informed about the castle anyway.

I headed to Leona's room Then, from outside the door, I heard a sexy voice.

「N...na...Master...Masteer...!」

Yare Yare, she seems to be masturbating I'm I her partner in her delusions?

Really...She's quite a hopeless knight

Normal people would read the mood and back away, but I didn't worry about it Whatever her business was, I still opened the door「Ah, Master...!?」

Leona was surprised as expected Her legs were wider open, and her finger was put in her vagina「U-uhm...this is, errr...!」

「Doesn't matter」

When I said that, I slapped Leona's throbbing waist.

「Master's S retort...feels good...!」

pyupyu I saw a tide squirting from her, It seems like she came with just my words She's a man-hater knight just the other day, but she's a complete pervert now.

That's right...If we speak of huge pervert.

「Leona, I have the intention of degenerating Elena Ria」

「Elena Ria-sama?」

「I want you to accompany me as guide. Can yo do it?」

「T-that's...」

「Don't worry. You'll just be guiding me. Don't think that you'll be betraying Elena Ria」

「Got it」 ...I will work hard for master」

Good, with this, I obtained Leona's help Eunice and the demon race would be a feint, then I will invade the castle while they're at it Then with the senri crystal to look over, there will be few who's vigilant of me Including the feint operation, this will surely not fail.

「What? Aren't you talking about something interesting」

When I turned my back, Yarina was there.

She heard the story from a while ago and smirked「I hate people who eavesdrop」

「I didn't do that. I just happened to pass by」

「It just happened? You have a reason go out don't you?」

When I said that, Yarina shrugged her shoulders like saying「Did you see through it?」

「Fufu, Ryuu-sama can see everything. Since you always make me feel good, I want to service you」

「Oh」

She said something that piqued my interest「Ryuu-sama ...loves my breast don't you? You violated my chest forcefully in my mansion」

「That's because I love huge tits」

「I intend to use my breasts today. If you want to do it...come here」

「Sounds good」

Yarina wants to serve me I can't ignore this as her master I headed to Yarina

「Wait, Master!」

Leona's voice echoed

「M-me too...I also want to service master. No, please let me do it!」

「You too?」

Really, these lewd girls

They seem to love me deeply

「It can't be helped. Come here both of you」

When I gave them an order, both of them approached me like a happy dog They kneeled in front of me, then took of my pants 「*sniff*...Ryuu-sama's thing has a scent of sperm. Did you do it with other women?」

「Yeah. Apparently, I'm the best in sex」

「Your sexual desire is too great after all」

Yarina voluntarily exposed her chest, grabbed my dick and placed it in her breasts pechipechi she rubbed it in her breasts, then little by little, my dick got erect 「N, kuu...I-It already got big...! Your penis is too big that I got surprised...!」

「I guess you can sandwich my dick with your chest」

「Fufu, my chest is my pride after all」

She opened a room, then started sandwiching my dick But.

「M-me too!」

A force bumped on Yarina's chest, Leona participated in the war too Since Leona is also exposed, it became sandwiched by two tits Two soft things are sandwiching my dick and I can feel it being squashed.

「Kuh...Leona, why are you obstructing me!?」

「I will be the one to service master...」

The pressure increases as the two of them try to push the other It seems with their sweat it got quite soaked up 「Ryuu-sama is my...!」

「No, It's me...」

「「Nuuu!?」」

The two moved and were trembling at the same time Seeing them, both

of their nipples are erect and rubbing at each othe「You perverts, your nipples are erect from feeling it」

「I am not to blame...」

「I just thought of master」

Kukuku, interesting

I had a certain idea

「Rub your nipples while servicing my dick. Then, I will put it in on the one who doesn't cum」

「I-insert you say...?」

「Master, is that for real...?」

When I said sex, the color of the eyes of the two changed They glared at each other, and stick their body closer「Nu...My nipples...I'll make you feel a lot」

「I'll show you the guts of the knights!」

As expected of this two excellent girls, they didn't forget to service me either They began to move up and down in matching breath Seeing the fair complexion breasts being squashed is the best Occasionally, a transparent liquid goes out of the tip of my penis「Kuh...Fuu, Leona's nipples is huge, I can feel it...!」

「Wha!? My nipple isn't that huge! Your nipple is just too erect!」

「Fun, My nipple can't feel if it's not Ryuu-sama... Aaahn!」

I can see that they're both competitive with each other Yarina bit her lower lip in agony, and Leona's breathing became rough and she shivering This two is near climax already

As they approach climax, both of their paizuri keeps accelerating Pre-cum and sweat intertwine and lubricated my penis The erect nipples hitting my dick also feels good「Ah, I'm...about to...!」

「M-Me too...I'm going to...!」

Both of them convulsed little by little Then,

「I-I can't...! I'm cummiiiiiing!」

「Fuaaaan! Uunaaaaa! Cummiiiiiiiing!」

Bikunb Bikun Both of them came at the same time I also ejaculated in sync

The semen fired like a fountain and made a puddle of white liquid in the valley「Ah...haa... Ryuu-sama came too」

「Master cumming makes me happy above anything...u」

The two lie down in place

「I'll insert in both of you since it was simultaneous」

The two of them didn't reply

—That's because both of them have fainted

Episode 6: To The Capital

「Now then, let's summarize the strategy」

I, who finished the strategy meeting gathered the women in one room 「First, Eunice and Melia. You will use the demon race, and get the attention of the soldiers in capital. The castle defense would be thin with this」

「Okay, Onii-chan! I'll do my best!」

「I'll do all my best to support Eunice-sama」

It seems that the demon race won't be a problem If my plan advances smoothly, it wouldn't take too much time to end 「The ones coming with me are Leona and Yarina. These two people will guide me to the castle」

「Roger」

「Leave it to me!」

Having Leona and Yarina as guard along the way won't be a problem It's unnecessary to explain about Leona, as for Yarina, she has some magic tools so she should be able to fight 「I wish I can also support you」

Since Aisha asked it, I agreed.

「There's a magic connection in me and Aisha. We'll use it, I intend to escape the castle safely」

「Master, you mean by safely?」

「I haven't showed it to you yet. Aisha, can you do it?」

「Yes」

I instructed Aisha to go to the other room 「With this, I and Aisha are in different location」

「Even I understand that. Aisha isn't here after all」

「I intend to go to Aisha now. Without going out of this room」

「Eeeeh! Onii-chan, can you do that!?」

「It's still in experiment phase, so I don't know how accurate this is yet. Well, we won't know until we try」

I extend my hand, and accumulated mana.

From the start, I'm a special in this world for having huge mana Such high mana can be concentrated at one point「Uu...Onii-chan's mana is impressive...!」

The others have noticed as well, but since Eunice has highly trained in magic, it can be seen that she's shivering.

Perhaps she can judge with her eyes that I am accumulating magical power A mass of mana swirled and gradually turned back Then, I opened the mana to a size where a person can enter「T-this... What is this? Master?!」

「It's a hole that connects space. This hole is called warp...even if I say that you won't understand it, to make it short, this makes it possible to easily move to another place」

「Is that true...?」

Since Yarina was surprised, I decided to practice this.

「This hole connects to where Aisha is. On it's present state, the hole in the space is stable only to where Aisha is In this sense, she also has a turn to support」

Well, If I take my time, I would be able to go to anywhere I like, but it's not possible to gather the theory around Well, the present results are enough, warp itself is considerably unique, it can be seen from the reaction of the women「I'll be going then. Wait a bit」

When I said so, I entered the hole

It somehow feels mysterious, but I passed through the hole「Fufu, It succeeded」

Aisha who is on the next room smiled「Yeah, with this, when that time comes, it would be fine」

I laughed, then the two of us returned to the room where Eunice is「Ah,

Onii-chan, Amazing!」

「Master, Is this real!?」

The surprised women welcomed me

「I'm also surprised... To make space transport possible」

The Cool Melia opened her eyes wide, and I said「The space travel...is an old myth...It's almost on the remains of legends... to make it possible... You're really an amazing person」

「I've never heard about this. In the human world, there's not much information about it... Why were you able to do something like that?」

「The reason is easy. I was able to do the concept」

When I said that, the girls' expression turned serious「You already know that I'm an otherworlder. I have different sense of values and knowledge from you... Well, to make it simple, I've heard about this in my world. ...But it was never used in practical, in the end it's just a product of imagination. That's why, I can't completely build the theory, and it's still not complete」

「To speak that this is still incomplete...! As expected of Master」

「I want to improve it a bit more, and make a little more stable I think. this will be the trump card in this srtategy」

Supposedly there comes a time where we need to retreat But I wish that it won't happen...

「We're going to go against the largest country in the world... Does it make you uneasy?」

「It's my pride to fight with master...」

「Leona, don't force yourself」

「I'm not forcing myself...if I say that I would be lying...」

That might be true

Because she served the empress after all Even if that was before, for her, the empress isn't inferior to me.

That's why it's painful...She's feeling conflicted But, I won't take consideration of that「You may think that the plan may fall off, but only do what you can」

「I want you to say...That I am necessary」

「Yeah」

「I'm glad...!」

Leona said with her eyes sparkling

「I'm honored to be needed by a person like master」

「Then, will you work for my sake?」

「Leave it to me!」

Eunice approached as the atmosphere of me and Leona was turning good「Onii-chan, I'm also here!」

「I know. Your war potential is necessary, and you are important」

「Fufu, as expected♪」

「Really, you're quite a trouble」

「But, Onii-chan...I'm more important than the war force right?」

「What do you mean?」

「I'm the only one that can make Onii-chan feel good right!?」

「Fuu...So that's how it is」

This fellow says lewd things all the time Should I say "As expected of the Witch"?

「I won't lose to anyone on the movement of my waist!」

「Leona has a better mouth though」

「Eeeh! Is that true!?」

Eunice looked at Leona

The female knight's face turned red and faced down.

「I-I am...confident with my mouth... I never thought to be defeated by a

virgin female knight」

「I-I'm...n-not...!」

「I trained you, so have some confidence」

「Ah, Master!?」

「Why did you say unnecessary stuff?」

「N-Now...it's embarrassing...」

「kuuuu! I won't lose! Onii-chan, let me lick your dick right now!」

「Oioi...」

「I'll do a lot of dirty things right now」

「Really, someone like you...」

While I was amazed, Melia joined in

「This was a story from long ago, but I've heard that heroes embrace women before going to war. That is to cheer them up」

The women gathered have heard her...

In short, it is to heighten their mood through various methods Then, in my case...

「It can't be helped. Those who want to be embraced by me, come to the next room」

I said and got out of the room

In the end, I kept having sex with the women until the morning next day

Episode 7: Invasion

「Elena-samaaaaaa! Something terrible happened!」

The servant female butler of Empress Elena Ria ran with all her might This is perhaps the most serious situation of the country She must hurry and tell Elena Ria fast Seria opened Elena Ria's room without knocking This kind of thing, no matter how close you are to the empress, it's not permissible But, it was too big of an event for her 「What is going on...!? I was about to sleep」

「Please excuse my rudeness! But this is emergency...」

「Emergency?」

「Please check outside right now」

Seria opened the curtain of the room quickly Seeing the town state from the big window, Elena Ria's Eyes widened 「W-what is going on here!?」

The coldhearted, ruthless Empress

She's never been shaken until now

Of her long time in serving, Seria had never seen that expression 「The demon race invaded the capital」

「What happened to the treaty!?」

About the treaty, long time ago, when the reason of the world was changed, they created a treaty that they won't interfere with each other more than necessary It was an agreement of old days that remains in effect until now.

In fact, it's impossible for for demon race to enter human territory without hiding.

But, reality is different

The one in Elena Ria's eyes is town in sea of flames 「I don't know the details either, but, the demon race attacked suddenly」

「What the hell is happening...!?」

「We sent soldiers, but declaring war is... It's a matter of time until the castle falls in this situation. Elena-sama...Please escape」

「I won't!」

Elena Ria shouted

「I'm the ruler of this country. It's impossible for me to abandon my people」

「But, stopping the forces of the demon race is hard」

「Then, I die with the people!」

Elena Ria's serious in her resolve

(Elena-sama...to go that far in this short time...) Seria understood her painful feeling.

But, as Elena Ria's servant, Seria will only do what she thinks best.

「Elena-sama, I do sympathize with you. But, you will live for the people. The country can recover as long as the ruler is alive...!」

「...!?」

Elena Ria's face distorted, then she clenched her fist She was speaking with a conflicted expression.

「But...But...!」

「Don't worry. I'll never speak of Elena-sama's whereabouts. Now, please escape from the secret passage」(TN: That's a flag Seria, a rape flag) 「Seria...are you going to command the military?」

The moment Elena Ria asked, a small bell in the room sounded The bell is a magic tool that sounds when an intruder enters the castle.

Of course, it's foe emergency purposes 「Apparently the enemy have entered the castle somehow」

「Seria...Could it be?!」

「I will remain here. Please...Elena-sama, be safe」

「Kuh...!」

Elena Ria bit her lower lip

It's also possible for them to stop it and run away together But, if she did it, she thought that she will trample Seria's resolve and service she had done so far That's why she did not stop her and just bit her lip 「Thank you, Elena-sama. I'm glad I was able to serve you. You're my only master」

Saying so, Seria advanced

(Goodbye, Elena-sama...!)

Trying not to show Elena Ria her tears, Seria run down the stairs The room of Elena Ria is on the top of the castle, there's only one staircase going there.

When you descend the stairs, there's another room 「Now...come here you thief!」

Seria posed with a weapon near her

(However, it's strange...)

Since the demon race army are flocking, she should be hearing more footsteps There are soldiers in the caslte too, so the sound of fights should echo But, the vicinity is awfully quiet.

(After the demon race attacked, there isn't much time that passed... Did the alarm malfunction?) Even the magic tool wasn't used much, it was maintained properly.

When Seria was thinking of such things.

Gata Goto...! (TN: crack sfx) A sound echoed

Seria faced towards the sound, then, the stone wall moved When the stone fell, a hole was seen A person come out of there 「Master...This is the nearest path」

「Yeah, good work」

There was a slim man in front of her Next to the man,

「Leona!?」

It's the woman serving as the captain of the knights (The ones behind the alarm...are these guys?) Behind the mystery man, the female merchant Yarina came out.

「W-what is goind on!? Leona, did you betray us!?」

When Seria asked, Leona faced down asking for punishment「Don't shout so loud. The room is so small, and I'm tired too」

「A man...! You, how dare you enter this catle! State your name!」

「My name is Ryuu. That's right...you should welcome me in this castle」

「What are you saying!?」

Then, the female merchant Yarina stepped forward「You shouldn't resist this man. You can see the state of the town, right? This man controls the demon race」

「You! Are you saying that you belong to the demon race!?」

「I'm a human. It's just that my magic power is higher」

The man in front of her looked at Seria as if licking her She was creeped out from the weird look「She looks good in flesh」

「...You're speaking something incomprehensible. I've never appeared in front of you」

Though she's seen in official business, Seria face isn't seen.

Furthermore, due to the restriction of men to go out, Seria thought that him observing her before is impossible「I'm possessing an interesting tool after all. This」

When he said, Ryuu took out a crystal「It's called Senri Crystal, with this tool is used, it's possible for me to see anything」

From the crystal, the appearance of Elena Ria who is escaping from the room appeared in the crystal「Sorry, but with this, I saw what you did. Of course, I also know the indecent things you did every night」

「...!!」

Her relation with Elena Ria, she thought there was no one in the world

that knows about it But, if the tool in front of her is used, then it's possible「I know that you're Elena Ria's aide, so I thought of hearing you out. Present Elena Ria to me」

「There's no way I could do that!」

「Why?」

「Elena Ria-sama is the one who rule this country...There's no way I can present her!」

「Oh...That's disappointing」

He seemed to know it was impossible, the man shrugged「Leona! Behead that man!」

「...」

The female knight was silent

「Don't shout at my woman」

The man held Leona's shoulders while saying so「Damn you...!」

「I was able to come here thanks to Leona. She's quite excellent as a companion」

「Master...Thank you so much」

「Master you say!? Aren't you a servant of Elena Ria-sama!?」

「That's just trivial. Leona is my woman...that's all you need」

「You!...Damn youuuuu! I won't forgive you! And I will never let you go to where Elena Ria-sama is!」

Seria started to run while shouting She holding a sword pointing it on the man「Dieeeeeeeeeeeee!」

「Fuu」

The man laughed,

「Oops」

Yarina used her whip and snached the sword of Seria「Don't use dangerous weapons against Ryuu-sama!」

Looking at it, the whip was a magic tool For that reason, she was able to take the sword precisely 「Yarina, you shouldn't have moved」

「But, if something happened...」

「It's fine. I have this power with me」

Then, the man murmured a word

「—Become my woman」

When she heard those words, Seria's mind was filled with him

Episode 8: Female Butler Seria Done From Behind

I used my charm cheat on the female butler Then, she showed an amusing blush and stared at me「Master...I'm honored to be able to meet you」

「Yeah, same here」

With that, Elena Ria's servant, Seria, became mine As expected of my magic

Now then, what I only need to do is go to where Elena Ria is, but...

「Where's Elena Ria?」

「I love master, but, I can't say it」

Fumu It's the same as Leona

She probably won't be confessing

Well, that's fine for me

Seria came wearing butler clothes Naturally, this clothing has a low degree of exposure, but I can clearly see her body line and I can understand that she has a lewd figure Her huge bust was constricted

Her ass is also plump, her lewd body makes me want to eat her.

「Seria, don't mind what I just said」

「Y-yes...」

「It's easy. Don't worry」

「What would it be?」

「Get on all fours」

「All fours...?」

She doesn't understand why I made that order, though Seria showed a doubting expression, she still assumed the position Her ass is emphasized stimulates a lot more I closed to her and unfastened her belt.

「M-master!?」

「You get it right? Seria?」

「S-somehow... B-but...I am...」

「You want to say that you're a virgin?」

「u...」

She faced down embarrassed

「I've been serving Elena Ria for a long time. It's natural for me to be a virgin. Should this be my proof of loyalty?」

While thinking that I heard something interesting, I lowered my trousers.

「OiOi...」

I hardly believed my eyes after seeing the spectacle 「Aren't you already wet?」

Her skin can be seen through her panties, Seria's genitals were sparkling.

A sticky liquid was dripping down.

「W-when I heard the voice of Master...my body turned hot...! It's strange」

Just how perverted is she?

She looked serious, then she must be quite a lewd woman.

「You're feeling hot because you're yearning for me. Now, show it」

「Y-yes...」

Seria obediently nodded and took her panties off by herself She's pushing her butt onto me, the sincere female butler exposes her genitals Seeing that sort of spectacle, my penis reacted.

「M-master...T-thats...!」

「It's about to explode because of Seria. Should I use you?」

「O-Of course! But I am miserable for having no experience...」

「Don't mind it. I'll move as I like. You should just enjoy yourself」

「Understood」

I took out my penis and aimed at Seria's vagina「Leona, Yarina...I'll ask you to guard us」

「Got it」

「Leave it to me」

Fufu, quite some honest girls

When this operation ends, I'll give them lots of love「I-It's hitting me...! Master's hard thing...!」

「kukuku...I'll put this in」

I grabbed her slender waist, then I draw her towards myself Being said that she's a virgin, her insides tighten quite a lot It's a completely useless treasure to not let a man use such a vagina.

Well, I will have to enjoy this from now on...

「It's coming...It's coming in...It's entering!」

「Your love nectar overflows... Can you feel it?」

「That's because my beloved master is in my lewd place... Just being touched...!」

「Is that so?」

I pushed my waist further in

I felt striking something like a wall, but I just pushed and forced myself inside「Nnnnnaaaaa! It's enteriiiiiiing!」

「That's the moment you became a woman」

「Ah, haaah...Thank you very much...!」

「In addition, I'll make you feel the joy of a woman!」

I moved my waist on Seria who's not complaining of pain PanPan the

sound of meat and meat bumping, I violate her on her back.

「Eh, I'm being gouged ouuuut! I'm getting gouged ouuuuuut! aaaaaaa!」

「Don't tighten up more...」

Whenever I pierce her, her vaginal walls coils around the tip of my penis It feels nice to have my sensitive part pin-pointed「This movement...where did you learn this?」

「What!?」

「It's tightening...and closing up」

「I-I don't know...!」

「So you're saying that your body moves without your permission... kukuku」

She never knew it herself as she was serving the Empress up until now「How is it? This is a man's body」

「It's the best!」

「Compared to a woman's body, which is better?」

「Master! If you make me feel this good...I'm...I'm...!」

I had charm cheat used on Seria

When I give her sexual pleasure in this state of magic, it's impossible for her to tell a lie anymore In short, Seria's remarks are her true intentions「Do you dislike the play you've done with Elena Ria up until now?」

「I've never do that... It's just...」

「Just?」

「I wanted to feel good too... Elena Ria-sama is just...always thinking of herself...」

「That's cruel. Doing nothing but licking」

「She's a royalty. Her pride wouldn't allow her to lick me...」

「Really, what a hopeless fellow...」

Well, I do understand Elena Ria's feelings When you're at the top, you can't think no one but yourself「But, you're a pervert right?」

「Wha...!?」

「Haven't you been licking Elena Ria's anus? Then, you drank her urine」

「F-for you to know that much...!」

「If it's about you, I know everything」

「A-Amazing! As expected of master. Then, if possible, your urine...!」

「Do you want to drink it?」

「Please let me drink it!」

「...」

I'll say it once again, Seria is under charm cheat.

When she's having sex, she'll speak out her mind That remark just now, Seria said everything.

...She's quite an outrageous pervert.

「I'll only give you my semen. Sorry, but I don't want to keep company of a pervert like you」

「T-that's...!」

「If you feel disappointed, why not go to Elena Ria?」

「E-elena-sama is amazing too, but she doesn't have a penis. a fat, and strong penis that master only has... My perverted pussy is only for master」

「How admirable for you to say that」

Since you said it. You should be rewarded.

「I'm about to cum...!」

「Cum!?」

「Yeah, it's semen」

「It sounds so indecent...! Please put in in me」

「Is that how you request to your master? Well, that's fine, I intend to overlook it if you have the ability」

「T-then...!」

「I'll dye your eyes white. But, before that...」

It's necessary for me to move my waist faster.

I've tasted her clamping vagina successfully, so I piston intensely.

「A, aah, aaaah! F-fast...! Your waist movment is...!」

「I'll mess you up!」

「I'm breaaakiiing! You're breakkiiiiing me! You're messing up my first time virgin pusssyyyyyyyyyy!」

Looking at her reverse heart ass, I further accelerated As I thrust, her vagina tightens more, it's trying to squeeze out semen「I'm about to...!」

I can't endure any longer and pulled my penis out her vagina Then, Seria was,

「Masteeer!」

It looked like a dog who totally got baited「I'll cum」

—Ejaculation

I splashed a lot of cloudy liquid over Seria「To be covered with it...It's different from pee, it's a sticky white liquid... aah...this is master's」

Seria, who's making an ecstatic face began to lick the semen out of her face.

「*slurp*...*Sluuuurp*...it's delicious」

「You seem to like it」

「Yes」

The female butler closed to my crotch with an unsatisfied face.

「Your penis is still standing isn't it? Then I will...Clean it」

Episode 9: Female Butler Seria Clean Up Fellatio

The penis that just came is filled with semen, then Seria brought it closer to her face.

She sniffed the sap of a man and slowly touched it with the tip of her tonuge「Aaah…Master's semen…I'm filled with it」

「Lick as much as you like」

「Yes…」

She seemed happy and replied with a smile, then she glanced at my penis and licked it all over.

「I said this earlier, since I ejaculated, it's sensitive. Especially just like earlier, it has a numbing feeling. You get it?」

「Certainly. When, I will carefully lick the penis from the side」

When she said so, Seria started to lick my penis like eating corn She's properly tasting the semen as she makes a indecent wet sounds I think this was called Harmonica Fellatio Of course, that word doesn't exist in this world Even if it did, Seria won't know it This girl does harmonica fellatio naturally She's really quite a horny woman

「*Suck*…*Suuck*…Master's semen, delicious」

「Are you happy?」

「Since you splashed the semen on my face, I can taste the delicious semen. I can't be happier than this」

「Compared to Elena Ria's piss, which is better?」

「Elena Ria-sama's urine has no particular taste. It's not delicious even though I drink it. However, Master's semen, has a perfect taste that makes me excited」

「I'm glad that you're pleased」

「It's still quite dirty isn't it? I'll do my best to thoroughly clean it up」

Seria's tongue reached the tip

She licked the semen on the pubic hair and headed lower.

「So this is a man's testicle... I've only heard it on stories, but to see the real thing」

「Semen is made here」

「Is that true!? That's amazing」

Knowing where semen is made makes you happy? Seria spread my legs open and dived under my crotch Oioi, I haven't given you those kinds of instructions.

Well it's fine. I'll just let her do as she likes.

「Balls...ballsballs...this white liquid...」

Seria opened her mouth and sucked the testicles gently 「Seria, you get it?」

「Yes. This is a man's vital spot. I need to be tend to it」

「If you get it, then it's fine」

It entered the mouth, then taken out a lot of times.

The testicles are placed on her tongue, then was rolled over.

She sucked and pulled the scrotum.

「*lick lick*... Do you like to have your balls licked?」

「It feels good」

「I'll massage it so It can make lots of semen」

「Please do」

Seria began her mouth massage

The pleasant feeling was transmitted rather than pain, the feeling runs through the body.

「More...Lick more of it」

Just like that, Seria began to lick the ball slowly Her tongue crawls to

it's surroundings.

Oioi, Could it be...

「Master's anus...I'll lick it」

「Really...」

I don't feel bad on it particularly, but to think she'd be this agressive Was it because Elena Ria taught you this?

「*Lick lick*...*Lick lick*...」

Seria began to moist my anus' area

She sprinkled it with her own saliva, my anus was stimulated I myself don't have that hobby, but it doesn't feel so bad.

A beautiful dignified woman like Seria is licking my anus after all.

I rather feel indulged in superiority complex「Master's anus...Delicious」

When she thought that the anus was wet enough, she poked the tip of her tongue She waved it litlle by little, then, when the got in, she said:
「Master...Master...」

Seria is licking my anus, even she still hadn't done a hand job Even though I just ejaculated a while ago, my penis completely regained it's vigor「Masster's penis...it got hard」

「That's because of you」

「I won't be able to clean it like this」

「...Is that on purpose?」

If she did it on purpose, she's quite a sly fox then.

Well, if I say it doesn't matter that I got erect again immediately after ejaculating, then it doesn't matter.

「Lick the semen off first. Then after that」

「Certainly」

Looking at my front, Seria held my dick in her mouth Not much time has passed since my ejaculation so it feels bad to get sucked suddenly

「*Suck*...*sluuup*...!」

Because my dick was big, she can only suck the tip without reaching the root But, she moves her tongue bit by bit, she licks the tip of my penis and it sends me strong pleasure 「It feels good, Seria」

「It's for master's sake after all. Should I swallow even further?」

「I don't mind」

「Then...Haamooo...!」

Seria has swallowed my dick that it reached her throat interior I can feel her mouth wriggling and attacking intensely 「Juuuuuuuu...!」

「You're sucking to the base indeed」

I've done a lot of women, but why is her blowjob face making me excited?

She's making a lewd look on her face, I feel like I can ejaculate on her a lot 「I'll be cleaning up master's penis」

「Fuu...I'll get dirtied again if this continues」

「What do you mean?」

「I meant to say that your mouth feels good」

「M-master...」

Seria's cheeks reddened while having my penis inside her mouth She must be glad to be praised by me 「Since you waited for long. Why not sandwich it between your huge tits?」

Seria has a quite a big breast Her clothes are quite thick but her chest is still emphasized, her breast might be more than what I expect 「My breast...is it?」

「Yeah. sandwich it, then stroke it」

「U-understood. I'm not confident if I can do it well」

Seria took of her jacket, then unbuttoned her shirt.

Then, a pair of white porcelain like breast jiggled.

「You seem to look thinner in clothes」

「I-is that so?」

There are two things in Seria's chest that's bigger than her head I think it's cute for have small nipples and areola in spite of having a huge tits 「If it's that big, then it should be able to sandwich my penis whole」

「I'll try」

Seria spread her tits herself, then wrapped my penis with it It's a little sweaty, but the tender meat swallowed my whole penis Her soft feeling is very pleasant

「It's good. Move like this」

「Yes」

N, N, her voice sounded, Seria moved her tits up and down.

The tip of my penis was seen and hidden repeatedly 「It's hot...Master's penis is hot...」

「You made them」

「Haahaa...It's hard and big...it's so wonderful...」

「Do it stronger」

「Like...this?」

She held her giant breasts with both of her hands, then Seria further intensified the paizuri Apparently, Seria can also feel it, her nostrils are widening 「A, aah...rubbing my nipples...It feels good...!」

「You're about to cum?」

「If we continue like this, I might cum」

「Don't hold back and cum」

「Is that okay?」

「I'll ejaculate at the same time」

「Y-yes」

Thanks to Seria working hard on her paizuri, I feel like I'm about to cum again.

I readied my ejaculation stance.

「This time, inside your mouth. While sandwiched, put it in your mouth」

「Understood」

She opened her mouth, and prepared to catch the semen Apparently, Seria is at her limit

「Master...I'm going to cum. I'm going to cum with just my nipples...!」

「Don't be embarrassed. Be happy instead」

「Happy...? I-I'm glad...」

「Come, I'm about to let it out too. Take it in your mouth」

「Yes!」

Seria held the mouth that's filled with pre-cum I ejaculated inside her mouth

「Nguuu!??」

When I ejaculated, it seems that Seria came as well Her nipples had gone hard, and love nectar was flowing like urine 「Now, drink...」

「Ngu...*Gulp*」

The jelly like sperm overflows in her mouth, Seria swallowed it Her eyebrows shows that she's in pain, but she drank it.

「*Gulp*...*Gulp*! It's really, thick...It's delicious...」

「Then that's good」

「I've drank all of it」

「Yeah」

I received clean-up fellation from seria again Then,

「Y-You...What are you doing...!?」

Upstairs...in short, a voice from the upper room where Elena Ria is was

heard.

When I turned around,

「So you came... Empress Elena Ria」

The empress that was looking furious was there.

Episode 10: VS Empress Elena Ria

「Elena Ria-sama...Why haven't you escaped yet?」

Seria said while sucking my penis. Her not minding Elena Ria is the proof that she under my charm cheat However, It's quite a severe scene for Elena Ria In this world...especially for those who work in this castle are influenced by Elena Ria and are man haters.

Seria is no exception

But, that woman is licking the meat deliciously. Elena Ria's shock is immeasurable.

「Youuuuuuuu! What did you do to Seria?!」

「I'm afraid I can't tell you」

My strategy was a success

It's certainly much easier to have Elena Ria come than chase her desperately If we follow to her destination, there's a risk of a trap Moreover, Seria's lovely voice might echo as I was poking her violently.

When the escaping Elena Ria heard that, she might come back here 「Whoops, we're in front of the leader of the most powerful country」

I stopped Seria's clean up fellatio, then I pulled back my penis, and closed my trousers 「I'm honored to meet you, Elena Ria」

「Everything...All of this was caused by you!?」

「I used the demon race's army, thinning the defense of the castle, then I used Leona to guide me to the secret passage to invade. Then, winning over your most trusted aide, Seria, She became my woman. What's next is You, Elena Ria 」

「You! Do you know what you're doing!? You will pay with your life!」

「Oh?」

No matter how strong the empress is, she's only a small fry in front of me Elena Ria grabbed the sword on her waist.

「The castle's treasure that has been passed through generations...King's sword Avar Bain. With this blade, you...」

Empress pulled out the sword

It's seems that the empress has the treasure.

As expected, Even I don't know that sword, but I understood that the sword must be a special weapon.

However, the distance form me and Elena Ria is more than ten meters Beating her down before she closes up wouldn't be a problem Why I'm not using Charm Cheat? That's because it's part of the plan Above all, having her submit without using the charm cheat would be the best.

If I used charm cheat immediately, there's no sense of achievement. A good woman must take time to fall.

「I want to hear something from you. First...」

Elena Ria swung her blade vertically

What are you doing? There's nothing there...

For a moment I thought.

「Guh...!」

My shoulder is cut, then I saw myself dyed in blood Could this sword be...?

「What are you being surprised for? That's the ability of this sword」

「Ability?」

「With Avar Bain, I can cut anything in my sight. You thought you had the advantage in distance, but I am the same」

Elena Ria continued to talk.

「For leading the demon race army, for invading the castle, for tormenting Seria. You seem to have quite the ability. There's no way I would approach you carelessly」

「Then, why don't you kill me with a single blow?」

「For leading the demon race army...About seria...I have a lot of things to ask you」

「I see」

I'll be fine if I talked to her

Well, I do understand Elena Ria's feelings. There's an unknown force... furthermore, it's a man She wants to know the details of that power, and she's curiously want to know the background of it Also, if it's Elena Ria, she can easily kill me.

Fuu...This is the strongest woman? Her name isn't just for show「First, I'll heal my wounds」

I healed my shoulders in an instant. This way, I showed her that it's useless to hurt me This will make the negotiation a bit easier「Damaging you seems impossible. Also, to use healing magic without a chant. It would seem that torture wouldn't work either」

「That's right」

「There's no merit for us to glare at each other this way then」

Now then, how do I turn this situation around?

It looks like I'm on par with Elena Ria, but in reality I'm at disadvantage.

That treasure is quite troublesome as expected.

But I can counterattack if she starts to fight badly I might be able to perform a hit that will decide my win「I can feel high magic power from you... More than me」

「My magic power is infinite. I won't be easily defeated」

「You're a man so why...?」

「That's because I'm a man from another world」

「Other world you say...?」

Elena Ria twitched slightly

Kuku, all according to plan

If I tell her that I came from another world, her concentration would be chipped a little.

「Have you heard about it?」

「I've read it from old books. Though, it was written as a legend in the book」

「Apparently, I seemed to have been called in this world」

「Why is an otherworlder aiming at my castle?」

「That is...」

While pretending to answer, I took out a magic stone and attacked Elena Ria「Catching me off guard...! But, that won't work on me!」

She used the treasure and crushed the stone I rushed at Elena Ria on that gap

「I told you it's useless!」

Elena Ria swung her sword, I created a big rock and hid behind it.

Since she said that the treasure uses her sight, it's impossible for her to damage me directly like this「Impudent!」

Elena Ria broke the rock

But, I hid well on the debris of the rock

In that instant, Elena Ria lost sight of me.

「It's the end!」

I created multiple rocks, then attacked Elena Ria from all sides.

As expected, attacks from her blind spot is included, and it wouldn't be possible to stop everything at the same time「Who do you think I am...?」

Suddenly, in her attack, the rocks were shattered.

「It's possible for me to cut from the blind spot if It's close」

...tsk. So there's that kind of ability.

But,

「If I hit you directly...!」

I produced a rock in my hand and struck Elena Ria When I attacked at the distance closer than the swing of her sword, her ability is invalid「The ability of the treasure isn't the only secret of my strength!」

When she said, Elena Ria crushed the rock hand, and closed the distance instantly As expected of otherworld, their swordsmanship is different.

They're accustomed to fighting

I have never experienced fighting up front.

「This is...the difference...!」

The tip of Elena Ria's blade penetrated me...!?

—At that moment, I expressed a huge grin.

Episode 11: Empress Elena Ria Body Fiddling

「In the end, you're a man. You stained the blade of my sword with your blood...」

Believing that she won, Elena Ria looked down on me But, who is it that won?

「Naive, Elena Ria. You thought you beat me?」

「Wha...!? Surely you've been stabbed in the chest!」

Just like Elena Ria said, the sword extends towards my abdomen However, I made something.

「W-what's this black hole!?」

The warp that I thought of using to go home The warp hole was in front of my abdomen.

Aisha must be surprised on the other side of the hole A tip of the sword appeared suddenly

「Sorry, but it's my win」

I held Elena Ria's wrist while saying so「If you can't swing your sword you can't use your ability right? And your strength is amplified with magic. With this simple power, I won't be defeated by you」

「Guh...!」

It was risky, but I was able to close up with Elena Ria My purpose was to approach her.

「I can do most magic. But, among them, there's one that needs to meet a condition. For example, the one that influences the human body」

「W-what do you mean...!?」

「I'll be trying it now」

I concentrated my magic on the hand that's grasping her wrist.

Then,

「U,aaaaaaa!」

Elena Ria shouted

「It seems that you felt bad right? That's because I put some drugs on your body」

「D-drugs...」

「It's aphrodisiac. Well, you'll turn horny to the degree that power won't enter you anymore」

「Kuh...!」

The Elena Ria who's standing strong earlier, fell down on her knees.

「Y-youuu...! What do you plan to do from now on...?」

「I'll tell you why attacked this castle」

「W-what...?」

「It's to make beauties like you my woman」

「Wha...!」

Her forehead perspired, I laughed at the suffering Elena Ria.

Can you still act strong in this situation?...She looked at me with pride However, just how long can you pretend to be tough?

「I made this aphrodisiac so I can touch and feel you」

I traced Elena Ria's skin with my finger 「Hau!」

「How is it? It feels good I guess. It's like your whole body is now a erogenous zone」

「Haahaa...I-I don't feel it...」

「Is that true?」

「Kuha! T-Touching me again...Haahaa...!」

The dauntless Empress has her toes pointing inwards, her body is restless and bending loosely in agony.

It's indeed a fascinating spectacle

「I'll hear out various stuff from you. You're quite strong it seems」

「T-to lose against your arm...It's not a big deal」

「Oioi. Did you think that you would win because you're a tournament champion? In a world where you fight through war, you can't measure power through tournament. In short, recall that this arm is normal out there.

It's all over the place. Furthermore, there are those who conceal their history and hide their true intentions on the tournaments. Do you seek a fair fight there?」

「It's natural as a soldier. In addition, they earnestly participate to not become a nuisance」

「What a wonderful spirit. Well, in the end you won so it doesn't matter」

「That's because I surpass them. That makes me feel proud」

「I'm not interested in the results of war. What I'm interested in...Is your body」

「You heretic!」

「I knew your sexual activities using the treasure the witch had. Your body being caressed by a woman, that was very beautiful」

「Just how rotten are you」

「Don't praise me so much. It makes me want to violate you」

When I glared at her, Elena Ria's body trembled That's the first time she displayed that expression 「Any part of the woman body can be used as a sex toy. For example, your hand」

「W-what are you going to do?」

I made Elena Ria's hand take out the penis out of my trousers.

「S-sto...! A-ahn!」

「Your hands are sensitive too. Just holding my dick makes you feel

pleasant」

「I-I'm not feeling good...」

「Now then, just holding it feels pleasant. How about if you stroke it?」

「C-could it be...There's no way!?」

「Your fingers are small and long, it's beauty doesn't suit holding a sword. Stroke my thing with this」

Saying so, I moved Elena Ria's hand

Shiko Shiko, was the sound of my penis being stroked up and down (TN: Fap Fap) 「A-aaah! Aaaah! I can feel it!? It's just my hand being moved, yet!」

「How is it? it feels good right!?」

「D-daaaamn! Let me gooo! Let me gooo!」

Ignoring Elena Ria's shouts, I continued the hand job.

Elena Ria's palm is now as sensitive as her genitals It feels like her vagina is being hit by a penis.

「I-I don't want to feel it...I don't want to feel it...」

「Your hand is moving on it's own while you say that」

「L-Lies...! I-I such...!」

She's now doing handjob willingly.

It seems that it became for her to control herself because of the pleasure.

「You're a beautiful woman, If it's on the other world, a lot of men would try to advance on you 」

「That kind of man...Ahn! I'll definitely cut them all!」

「You don't like men, yet you have sexual desire... Then, you have Seria lick you off almost every night with that. Seeing you do urination, you don't seem to have a normal sexual desire」

「Guh...! Don't...say, that...!」

「You even have your anus licked…You pervert. But, my sexual desire is strong, and I don't hate perverted women」

「I'm not pleased to be liked by someone like you!」

「But, you're moving your hand on your own? The pleasure is increasing, and your reasoning is being blown off?」

「S-such a thing…nnn! Aahn, haa! Kuun!」

「Move it faster. The highest pleasure is waiting」

「D-dammit…!」

She's biting her lower lip in frustration, yet the movement of her hands goes faster.

Her breathing turned rough, her cheeks reddened, it seems like Elena Ria has surrendered to the pleasure.

「It's good… You rise on the top of the country. The common people don't understand your pain and conflict」

「T-That's right…in order to reduce my stress it…」

「You used the female butler night after night, right? Your reason was just. You don't need to hold back anymore」

「I don't need to endure anymore?」

Elena Ria stripped off her hard armor to my sweet words「Specially, since you were born as a woman. You should also have fun as a woman」

「Have fun…as a woman?」

「Now, move your hand more」

「Han, nuu! I-it's no good…I'm just moving my hand but I can feel it! I'll go crazy if this continues…」

「More…More!」

「Nnaaaaaa! C-c-cumming! Something is comiiiiing!」

「Come! Show me your cumming face!」

「Damn…Damn…Dammiiiiit! I can't stop my hand from feeling good! I

want to fee it more, more! Nfuaaaan!」

「I'll also cum」

「C-cum?」

「I'll splash it on your face. Just stroke it」

「I am...I am...a-about to cum...! I-I'm about to c-c-cuuuuuum!」

To match Elena Ria's climax, I also ejaculated.

Doku Doku I released a large amount of semen on Elena Ria's face Her body had gone pure white

「Haahaa...T-this is semen...It's warm... And, it feels like I'm filled with it...」

「That is true pleasure. Isn't it great to have this as a woman?」

「Amazing...too amazing...!」

「You're whole body is beautiful...First let's satisfy your body」

Elena Ria opened her mouth, fixed her gaze at me while saying.

「I...I'm...broken... Aah...It doesn't matter anymore...I just want to feel good...」

Episode 12: Empress Elena Ria's Change

「It's about time, Onii-chan」

Eunice who was commanding the demon race army is looking at the terrace from the top of the castle where the Empress room is.

The strategy was scheduled to begin「If it's master, there should be no problelms」

From Eunice's side, the Succubus Maid Melia appeared.

She was having her usual cool appearance and was staring indifferently「Ah, Onii-chan came!」

Ryuu and Elena Ria were at the terrace「Ahaha, it seems Onii-chan has broken that Elena Ria」

「Yes. The empress who was called the strongest, has now a face of a woman」

「Just what happened on her?... I can imagine what happed...」

Eunice sandwiches her harm in her crotch and fidgets「Since it's master, I'm sure it's interesting」

「Something amazing has happened right?」

「Yes. Something so shocking that would be known all over the country」

「Melia, have you prepared it?」

「Of course. However, I don't understand the contents are...」

Since Onii-chan made it, it should be okay!」

Eunice floats a smile

Her cheerful state was noticed by those in the terrace「Now, I hope we start faster」

Ryuu's strategy is about to reach the Finale ● ● ●

「I'll kill you...I'll kill yo...damn...!」

Elena Ria scowled at me as she still has some willpower left.

I ignored it, and brought her to the terrace.

「What…are, you doing…?」

「I'll tell you in a moment」

「D-don't joke with me…?」

Fumu.

She still has some willpower, as expected of someone who's called Empress.

Though, the effect of the aphrodisiac is still there, she regained her will the moment that there's no stimulus.

「Ryuu-sama, are you going to use aphrodisiac again?」

Yarina closed to me and asked

「No, it's fine like this. Since I'll make her my sex slave while the effect of the aphrodisiac goes away slowly. Just as planned」(TN: No, seriously, it's Keikakudoori)「As expected of Ryuu-sama」

I told Yarina to pull back, then I and Elena Ria got out of the terrace.

「Haahaa…! It may be gradually, but my consciousness will…!」

「Have you taken it back? That's good」

「If I have my sword, you'll be done in an instant」

「Don't say something so disturbing. How will I play your body if that happened?」

Since the aphrodisiac is still in effect, any other parts of Elena Ria will also let loose.

Hand, Hair, Ass, Legs, Elbow, Breast, mouth…I fiddled with every possible place and ejaculated repeatedly Thanks to that, Elena Ria is now covered in semen「You Hertetic…! I won't forgive you…! I'll neveeeer…!」

「But, you can feel it right?」

When I turned my gaze, Elena Ria showed a shocked expression.

「That face…just by seeing my face, your face looks like it's in estrus」

「T-that's not...」

「Why are you lying? You already let loose a while ago, your body has been completely imprinted withg pleasure」

「I-I am...!」

「Then, should I confirm it?」

I raised her skirt and touched Elena Ria's genitals「Hawaa!?」

「How is it? You can feel it right?」

「Kuh...Fuu...nn!」

Elena Ria stopped resisting, became silent, ant let me fiddle her.

I finger gets sucked in her vagina without any resistance「This is the you now. You won't win in conflicts, and you'll succumb to the pleasure in front of you」

「Haahaa...D-dammit...!」

「Elena Ria, think about it. Why do you dislike pleasure?」

「Eh?」

「It's easier if you accept it...am I wrong?」

「...!」

「You're already broken earlier. But, when your consciousness returned, you tried to mend yourself and resisted. To break you once again is hard you know」

Elena Ria listened without saying anything.

Perhaps, she's probably thinking that I made sense.

「What should I do to break you?...The answer is simple」

「W-what...?」

「Rather than restoring, you should be reborn. You will have to start from zero again」

「Zero...」

「You hate men...you feel uncomfortable with men... Instead of that, you should just reverse everything」

「Reverse...? What I request is pleasure...? From a man...?」

「That's right. Your vagina getting wet is the evidence, you're letting a finger smoothly pass through. Even if your mind is broken, if you really hate it, then your body should refuse」

「I don't really hate it...」

「You seem to have noticed your true feelings. If so, then put your hand against the terrace, and point your ass to me」

「G-got it...」

Elena Ria nodded obediently, she turned her back on me and displayed her ass.

Her legs are long and slim that her back standing posture is strangely beautiful It's difficult for me to suppress my desire when I think that I would be able to thrust my penis in this beautiful body from now on.

I took out my erect penis, then glued it to Elena Ria's vertical line.

「A-a hard thing is...!」

「You don't know what hit you?」

「...P,p...penis」

「You better speak more vulgar」

I whispered to her

「cock...! Cock...!」

Elena says it like a child who enjoys using the word she just remembered「Now, tell what you want me to do」

「A,aaah...!」

「Now!」

「M-My pussy...C-cock...please thrust your cock in!」

Kukuku, you finally revealed your true feelings.

I gripped Elena Ria's ass and pushed my waist in just like that.

As one might expect, she's a virgin so there's some resistance.

But, it seems like she's yearning for my body as she invite it inside.

Love nectar overflowed and her vaginal walls were wrigling.

「Kuh...Fuu! Just a little more...Just a little more...!」

「I'll put it inside as is」

「Come...! Coome!」

I draw her waist in, then invaded Elena Ria's insides 「Kuhooo!? I-It's in...It's entering, it's inside...!」

Elena Ria was pleased that it was in.

She no longer a country's ruler, but a female pervert that has fallen for pleasure.

I began to move my waist.

「Ahn, It's moving...Inside me...a hard thing is...!」

「Can you feel it?」

「I can feel it! It feels good, this might become a habiiit...!」

「If I show your face on your people, what would happen?」

「It would be bad...If that happened...I...I...!」

「We might be seen at the terrace. Should we stop?」

「Haahaa...this place is high so it's okay... That's why, please don't stop」

「Got it」

She seem to enjoy being violated while she's standing back.

Since Elena Ria requested it, we'll continue the play in this place.

「Ah, hiiiii! Cock., amaaziiiing!」

「It's a feeling that makes you crazy!」

「Aaaa, iiiii, nuu! Ahiiii!」

「How's it? Do you love my body?」

「I love iiiiiit! I love coooocks!」

Elena Ria screamed

Thinking that she won't be heard on the castle, she shouted.

Fuu, this may possibly become a habbit While thinking so, I activated my magic.

『I love iiiiiit! I love coooocks!』

Those were Elena Ria's scream a while ago It was repeated

「Eh...?」

Elena Ria suddenly spoke in disarray「Oh, sorry. I forgot to say one thing」

「W-what...?」

「Our act in the terrace...is seen all over the country」

That's right, the act of me and Elena Ria, was probably seen by all the citizens Elena Ria floated a desperate look.

Episode 13: Empress Elena Ria's Corruption

I released the transparent magic, and a camera was flying outside the terrace.

Simply put, the camera is like a fa◯nell.

The terrace is projected by this camera, which I prepared a televised display on each town beforehand.

The Idea was referred from the Senri Crystal That's because it has a function of a camera and display put together.

And including my knowledge, We have created a magic tool.

My strategy was to show this image to the people Now, look at the corrupted state of your empress「A,ahahaha…This figure of mine…my people…」

The shock was too much that Elena Ria became absent minded.

However, I instantly noticed her change.

「You seemed to have your heart broken…but that's a lie. You're feeling it from having yourself projected right?」

「Ha,haha…?」

「The tightness of your vagina became better. That's the proof that you're feeling it. Am I wrong?」

Hearing what I said, Elena Ria just laughed.

「ahaha…That's right…! This me…feels good in this situation…ahaha」

「Have you gone crazy? However, I won't be satisfied with this」

I began to move my waist again.

Panpan as it makes a dry sound echoes, my glans that's inside Elena Ria was pressed up ahead.

「Aaahn, nfuaa! It's coming! It's entering!」

Without forgetting to look at the camera, Elena Ria's body curved in agony.

Whenever I thrust her, Elena Ria's vagina becomes narrow, it seems to want my semen.

As expected of the tightening, I might not be able to endure, so I continued to piston.

Looking at her fair ass, I continued to shake her narrow ass.

「It feels goooood! Aaaah, it's deeeep! It's good when it's deeeeep!」

「How good is it? Does the one in the image not know how good a man's body is?」

「A hard penis, deep...it feels good when you're banging it! I'm glad to be born as a woman!」

「yareyare, You won't be understood with that explanation」

Words doesn't seem to come out for the pleasure. Well, that's understandable.

「N...?」

As I move my waist, it seems that the castle turned noisy.

「Return Elena Ria-sama to us!」

Apparently, a female knight that was near came to rescue Elena Ria Women gathered on that assumption

Every door on the castle has been shut closed already When you think about the height of the castle, arrows won't reach us either, so I kept violating Elena Ria as is.

「Ahia! I want your child sap! nfua, nfuu, nuoooo!」

「You're speaking obscenely now」

Her tonuge is out, and she was facing upwards She's wetting herself with her own drool, her breathing turned rough.

「Ahuu—...haa—...haa...! Good! It's good! Banging feels good!」

「Are you satisfied already?」

If she's satisfied with just this, it won't be fun.

Should I increase the speed of the piston?

I speed the speed I hammer her ass, and her womb is being pressed repeatedly.

「Aaaaaah! don't do that! I'm going crazzzzyyyyy! please no mooooore!」

「I'll make you feel more!」

「Aaaah, kunuuuu! It feels too good, I'm losing my power!」

Has her muscular strength weakened? I expanded her anus.

Her legs are wobbly and trembling, she looks like a newborn foal「S-something's coming! C-cumming...! Ahii!」

「Are you cumming...?」

「A, impossible! pleash no more! C-C-cumming...aaa,a,aaa!」

Because it seemed interesting, I intensely poked my penis「Kuhooo!?」

Leaking out a cry from inside her belly, Elena Ria turned bandy legged.

Then, just like this...

「Uu! Cumiiiiing!」

Jubobobobobo...!

A huge amount of urine fell on the floor She accumulated quite a considerable amount as it flows vigorously that you would think it was tap water.

「Ko...ha...I came...」

「You began urinating」

「Haahaa...it's still coming...!」

You can't hold it anymore? She repeated the sprinkling urination over and over again「For you to let out a lot. Share it to your people」

I pulled Elena Ria's arms and pushed in between her thighs The urine

that was leaking out from the empress went down the female knights in parabola.

「Kyaa, what's this...」

「L-look at that!」

As expected, everyone noticed and watched the figure of Elena Ria urinating.

I opened her bandy legs and made Elena Ria pose like an old man pissing outside.

The empress who's feared and gained the trust of her people That woman's embarrassing form is seen.

「Elena Ria, do you want to say something?」

「M-my people...My knights...」

Elena Ria calls out to the people below.

「My...Urine...Please enjoy my piss...!」

She opened her vertical line personally, then Elena Ria urinates once again.

She did public urination by herself and sprayed it on the knights.

The knights were at loss of words for this.

「Were you refreshed?」

「A, yes...」

Elena Ria looked satisfied as she released her bladder completely
「Haahaa...That felt so good...That's the greatest moment in my life」

「Good」

「This is all thanks to you...you entirely, our king」

「King?」

I asked back on her sudden declaration

「In this country, it's a custom that the country is lead by the strong

people... You're strong enough」

「A king?」

I'm not interested in power that much, but the image of the world flowed.

This situation isn't that bad.

「Elena Ria, should I become the king?」

「You're a King. You're the top of this country!」

As expected, everyone heard it.

「Then, declare it from your mouth. That I have become King」

「Everyone! Listen well! Someone who can lead the country other than me came! He will be our new King!」

The knights below leaked out a shaken voice.

「Elena Ria sama, that's foolishness!?」

「To make a man on the top...!」

「Eeei, Shut up! You girls taste a cock too! Your reason won't win against cocks! Those who don't understand are virgins!」

Since they're virgins, it's natural that they don't understand Furthermore, it's strange for them to say it.

But, this means that Elena Ria has succumbed.

I resumed my piston.

「Nnnaaa! Kuhoo! Nhoooo!」

「Cum! Elena Ria!」

「Aaaaa! Comingcomingcomingcomiiiing! It's comiiiing!」

I found out that Elena Ria's vagina is convulsing.

Since the tightening got stronger, I'm also at my limit.

「I'll let it out」

「kuuuuuum! Our king! impregnate meeeee!」

「Coming...!」

My Penis that endured till the end released a huge amount of semen.

SplurtSplurtSplurt Spluuuuuurt...!!

While doing a piston, Elena Ria's womb was filled with semen.

「Aaaah! It's coming in! The King's...The Kings children!」

Now then, it seems the women have gathered down there too.

I've expected this, but for this to go well.

「—Women of this nation...all of you become my woman!」

I used the charm cheat on the town.

The women gathered here, no, all of the nation's women are mine.

Now, I'll send out the remains inside Elena Ria's vagina.

「Hafaa! I'm also cummiiiiing! Cumiiiiiiiiing! Oooouuu!?」

Bikun, she jerked up, then Elena Ria has collapsed in the place.

There were some slight murmur, and someone muttered「Our king... Ryuu-sama!」

I pulled out my penis and walked in front of the terrace Then,

「Ryuu-sama! Ryuu-sama! Ryuu-sama!」

—women called out my name.

Episode 14: The Forza Command Afterwards

Let's summarize the story after Elena Ria had fallen In a nutshell, this country is mine

I was made the King of the nation and the Highest officer by Empress Elena Ria's words However, since I don't like troublesome things like politics, I gave Elena Ria substantial power.

She's my slave too

I do her however I like, whenever I like, I've obtained the most convenient position to play.

I select women to use my charm cheat, and I only cast my magic on my preferred women By the way, I've removed my magic on other women and they follow Elena Ria's instructions.

As expected it would be very troublesome for all of them to love me As a result a bigger event occured.

Yeah, come to think of it, Aisha asked me「Why didn't you use charm cheat from the start」

Her question was reasonable, but how do I explain my aesthetics? I didn't want to use a large scale Charm cheat until Elena Ria fell.

I made Elena Ria fall, then used charm cheat on the women following her.

As a result, I was able to use a wide range Charm Cheat, but in reality I didn't know until I tried it.

For that reason, it was necessary to gather women around the castle.

In that respect, that was quite a harvest.

For the bound men, I decided to secure them minimum freedom.

It's not like men are miserable and inhuman in a point of view, to put it simply , they weren't needed in labor and economic activity.

When I thought of the population decreasing, men has no position now.

I ordered relief measures for those.

Well, I decided to make Elena Ria's castle my home as future base of activities.

I'll go out for a journey, then return here if something happened. I'm ruling a human world, it's the world's largest, it's cozy.

In addition, I obtained Elena Ria's treasure, and the warp has been completed.

It's possible for this weapon to slash something far away.

I analyzed that theory and applied it to my magic, With this, I'll basically be able to go anywhere I like「Where should we attack next?」

Aisha who is next to me asked.

「The other human country Japoneru would be good」

「Why?」

「Unexpected attack seems difficult」

When I muttered so, Aisha nodded in agreement.

「Even if it's a human country, it's a little special right? Could it be that your plan won't possibly work?」

「My plan isn't that outrageous, you can't go to Japoneru easily」

「Can't you just warp inside? You should've completed it right?」

「Yeah. Well, as expected of the other queens, they would guard their important positions too. In case of Japoneru, you can never cross it, so it's impossible to invade」

The world map was prepared by Leona, and I tried if I was able to warp on each country.

I was able to enter the territory of the other countries easily.

However, I can't do it on Japoneru

「They probably began to be cautious of me」

「Showing that broadcast was flashy so it's natural. However, that was your aim right?」

「That's not my aim. It's just that it happened to be easier for me to be vigilant in a state of chaos. In addition, it increased the pleasure if they fall」(TN:狙いってほどじゃないさ。ただ、俺を警戒してくれた方が混乱は起きやすいからな。それに、難しい方が落とした時の快感が増える)「Fufu, you're really a bad person. 」

If they have proper judgement, they will notice my strength.

When they do, they would become more curious for their judgement.

I want to see what kind of correspondence the head of each country would take in this hopeless situation.

「Ryuu, I'm glad I entrusted my ability to you. I'm not getting bored at all」

I'm happy that Aisha is pleased

「Come to think of it, I wasn't able to go to the spatial city where the celestial maiden rules? What do you think Aisha?」

「I think it's because the city isn't on the map The Areal city is just floating in the sky」

「And it's whereabouts?」

「I don't know the details either, but, it seems that the areal city is connected to a place. It looks like your warp」

「I see」

I should probably do this last.

Now then, I should be considering the way to go in Japoneru「Elena Ria, I want to ask you something. Is there a way to approach Japoneru?」

「My king, There's no route to japoneru」

「...None? It should be connected somewhere?」

「They observe self independence, they avoid trading with the best of their abilities. And they only come over here in one way」

「Is that your agreement?」

「That's right」

I wonder if they make use of money.

Even Elena Ria, if you reduce her money she would be troubled.

If you want something in hand, there's no reason for Forza Command to be equal with Japoneru.

「We suddenly reached a deadlock」

Aisha is the one who said it happily

...I think she's the bad girl.

「My king, it's like there's no method」

「What?」

「A ship may not leave officially...but a pirate」

「Pirate?」

「Outlaws. I heard that they gather men as working force」

「Fumu」

To make it simple, those are men who were driven out of the country They gather those, and make a living through piracy...

「Can't we go using the official ship?」

「It would be an international problem. Even if you remove the international conflict, the surrounding sea is rough, and if you're not familiar with it, it won't be possible to reach」

「But a pirate can do it?」

「I've heard that they smuggled suspicious items. They should be able to」

「...It's decided. First, let's meet the pirates」

「King!? T-that's dangerous...」

「fuu...」

I smiled

「I'm the king of Forza Command right? Do you think the one who took over this country would be in danger?」

「That is...」

When I say so, Elena Ria faced down looking troubled.

「...My king, I understood. But, please be careful」

「Yeah, don't worry. Elena Ria, please look over this country. After all, a noble queen like you is needed」

I stood up from my throne

Now then, I should talk to the pirates first.
